Certificate for vegan raw materials & animal free testing sunscreen.

Nidaria policy for selecting raw materials restrict raw materials from animal source. Testing formulations do not allow the use of animal to evaluate product performances.

This is to confirm that:

- Safe Sea raw materials does not contain anything derived from animal source.
- Safe sea Sun protection range was not tests on animal.

According to EU regulations, sunscreen SPF, Sensitive skin, Medusas protection and water resistance should be evaluate on human subjects in Comply with the Colipa/FDA recommendations. Nidaria, strictly following these rules and limited its testing operations to human subjects or in-vitro laboratory methods.

This is to confirm that Nidaria sunscreen can claim, "Vegan & Not tested on animal" or use the relevant symbol for the above.
